

- 1 **KYLE:** Oh, we're from the Acme—
AUDREY: No, Kyle! Not our company name! Our personal names!
GILDA: *(To KYLE.)* You almost gave away why we're here.
AUDREY: Ha-ha! I don't know what you're talking about, Gilda. We're
5 here to enjoy a nice, relaxing vacation. Just like all the other normal, everyday guests.
LILY: I'm still waiting for your names...
AUDREY: Oh yes, of course. The reservation is under Audrey Spengler. That's me.
10 **LILY:** *(Types on the computer.)* Audrey Spengler... Oh, gosh. I'm sorry. I see you're staying in the Garret. Didn't anyone tell you that room is only a double? There may not be enough space for the three of you plus your luggage.
GILDA: That's all right. We like tight spaces.
15 **KYLE:** It makes it easier to hit our targets.
LILY: Targets?
AUDREY: Kyle!
GILDA: He didn't mean targets.
AUDREY: That's right.
20 **GILDA:** He meant victims.
AUDREY: You know what, guys? Just let me do the talking. *(To LILY.)* The Garret will be fine. We'll find a way to squeeze into it.
LILY: I appreciate your flexibility. Here, let me give you your keys. *(Slides three keys to them.)* Do you know which ghosts you'd
25 like to order?
AUDREY: All of them.
LILY: *(Coughs.)* I'm sorry. Did you say all of them?
AUDREY: Most definitely. It has to be all of them.
LILY: That's going to be pretty expensive...
30 **AUDREY:** Do you offer some kind of volume discount?
GILDA: We don't need the ghosts very long.
KYLE: We just need them to be in our room at the same time.
LILY: Well, the ghosts do have a break coming up. If you don't mind them just poking their heads in for a minute, I could throw in all five
35 for the price of three.
AUDREY: That would be wonderful.
LILY: All right. Let me show you to your room. *(Steps out from behind the front desk and picks up two of the suitcases.)*
AUDREY: No!
